GENERAL LETTER GL18 124
On-line Scanner 3100 Demonstrator

You can experience all the capabilities of a Scanner on-line. Simply open your preferred browser and enter the address 142.59.147.147 to access the Scanner virtual lab. Click on one of the Scanners and enter the user name *admin* and the password *scanner*.

As points of etiquette if while logging in you get a message indicating another user is logged in please choose another Scanner. When you are finished please log out of the Scanner before navigating away.

Please refer any application or product questions to your local Cameron salesperson or to the undersigned or to measurement@slb.com or (281) 582 9500.

Yours truly,
CAMERON
