**GENERAL LETTER GL18 124 Rev. 1
On-line Scanner 3000 Demonstrator**

You can experience all the capabilities of a Scanner series model 3000 on-line. Simply open your preferred browser and enter the address 96.53.99.250 to access the Scanner virtual lab. Click on one of the 3100 Scanners and enter the user name *admin* and the password *scanner*.

As points of etiquette if while logging in you get a message indicating another user is logged in please choose another Scanner. When you are finished please log out of the Scanner before navigating away.

Please refer any application or product questions to your local Cameron salesperson or to the undersigned or to measurement@slb.com or (281) 582 9500.

Yours truly,
CAMERON
